For Recyclable Containers - Do not reuse this container for any purpose. This is a recyclable container, and is to be disposed of at a container collection site. Contact your local distributor/dealer

or municipality for the location of the nearest collection site. Before taking the container to the collection site:

1. Triple- or pressure-rinse the empty container. Add the rinsings to the spray mixture in the tank.
2. Make the empty, rinsed container unsuitable for further use.

If there is no container collection site in your area, dispose of the container in accordance with provincial requirements. For information on the disposal of unused, unwanted product contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

For Returnable Containers - Do not reuse this container for any purpose. For disposal, this container may be returned to the point of purchase (distributor/dealer).

For information on the disposal of unused, unwanted product contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER
This product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

BioStix

DIRECTIONS FOR USE
SHAKE WELL BEFORE USE
ALWAYS test compatibility with fertilizers by applying to a small amount of crop before full application. While BioStix is safe for use on most plants, not all varieties of plants have been tested. BioStix mixes with all types of water and can be used with all foliar fertilizer applications.
Mix at a rate of 0.75 – 1 mL / L water. Spray to thoroughly wet foliage. Avoid spraying to run-off. DO NOT apply during the hottest parts of the day or in direct sunlight.
