

TerraLink

April 5, 2016

Pace Chemicals Ltd., servicing the horticulture industry for over 20 years, and TerraLink Horticulture Inc., serving Western Canadian farm, greenhouse, turf and nursery markets for over 40 years, are combining strengths!

The great products you purchased from Pace are now available exclusively through TerraLink, and will be stocked in Abbotsford, Delta, and Calgary locations. TerraLink and Pace are pleased to inform you that pricing already established by Pace will continue at TerraLink.

Key products are: **UpTake™ KleenGrow™ Chemproicide™ Polydex™ HortiKlor™ Strip-It™**

We look forward to sharing exciting information related to new UpTake™ label and the KleenGrow™ label expansion in the coming months. Please ask your TerraLink representative about this. We would be happy to set up a training meeting with you and or your staff.

Kindest regards,

Wes Martin
